### Technical Committee Action Items 5.1.19

**Motion:** To recommend to the Policy Board to approve Scope of Work for the Non-motorized Plan Update (Spillman/Perreault).

**Amendment:** Expand the scope of Task 6(a) [Bike Lane Signing & Striping] to the entire Metropolitan Planning Area (MPA) (Spillman/Miller). None opposed. Approved.

**Amendment:** Add multimodal level-of-service analysis under Task 5 [Needs Analysis] as an option (Spillman/Ackerman). None opposed. Approved.

**Amended Motion:** To recommend to the Policy Board to approve Scope of Work for the Non-motorized Plan Update, expand the scope of Task 6(a) to the entire MPA, and add multimodal level-of-service analysis under Task 5 as an option. None opposed. Approved.

**Motion:** To recommend to the Policy Board to approve the funding increase for the Minnie Street Corridor Study in the amount of \$26,500 using offset funds (Ackerman/Pristash). None opposed. Approved.
