

FAST Planning CMAQ/CRP Project Scoring Criteria

Project Name: _____

Scorer Name: _____

Criteria	Weight	Total Points
POLLUTANT REDUCTION		
PARTICULATE MATTER (PM) 2.5 - WINTER SEASON (October to March) Choose One + BONUS		
>2.5 lbs per day (>0.5% reduction in areawide on-road emissions)	8	<input type="checkbox"/> 0
0.5-2.5 lbs per day (0.1% to 0.5% reduction in areawide on-road emissions)	6	<input type="checkbox"/> 0
>0-0.5 lbs per day (up to 0.1% reduction in areawide on-road emissions)	4	<input type="checkbox"/> 0
<u>BONUS</u> : Measureable reduction in PM2.5 precursor pollutants (SO2, NOx, VOC, NH3)	2	<input type="checkbox"/> 0
PARTICULATE MATTER (PM) 2.5 - SUMMER SEASON (April to September) Choose One + BONUS		
>2.5 lbs per day (>0.5% reduction in areawide on-road emissions)	4	<input type="checkbox"/> 0
0.5-2.5 lbs per day (0.1% to 0.5% reduction in areawide on-road emissions)	3	<input type="checkbox"/> 0
>0-0.5 lbs per day (up to 0.1% reduction in areawide on-road emissions)	2	<input type="checkbox"/> 0
<u>BONUS</u> : Measureable reduction in PM2.5 precursor pollutants (SO2, NOx, VOC, NH3)	1	<input type="checkbox"/> 0
CARBON MONOXIDE (CO) Choose One		
>250 lbs per day (>1% reduction in areawide on-road emissions)	6	<input type="checkbox"/> 0
125-250 lbs per day (0.5% to 1% reduction in areawide on-road emissions)	4	<input type="checkbox"/> 0
25-125 lbs per day (0.1% to 0.5% reduction in areawide on-road emissions)	2	<input type="checkbox"/> 0
Low/negligible pollutant reduction	0	<input type="checkbox"/> 0
CARBON DIOXIDE (CO2) Choose One		
>250 lbs per day (>1% reduction in areawide on-road emissions)	6	<input type="checkbox"/> 0
125-250 lbs per day (0.5% to 1% reduction in areawide on-road emissions)	4	<input type="checkbox"/> 0
25-125 lbs per day (0.1% to 0.5% reduction in areawide on-road emissions)	2	<input type="checkbox"/> 0
Low/negligible pollutant reduction	0	<input type="checkbox"/> 0
OTHER AIR POLLUTANTS (PM-10, Ozone/Greenhouse Gases, Lead) Choose One		
Significant Benefit	4	<input type="checkbox"/> 0
Some Benefit	2	<input type="checkbox"/> 0
No Benefit	0	<input type="checkbox"/> 0
CONGESTION MITIGATION		
REDUCTION IN TRAVEL DELAY Choose One		
Significant reduction in Vehicle Hours of Delay (VHD)	6	<input type="checkbox"/> 0
Moderate reduction in VHD	4	<input type="checkbox"/> 0
Low/negligible reduction in VHD	0	<input type="checkbox"/> 0
TRANSPORTATION ALTERNATIVES (Walking, Biking, Transit, & Other Non-Motorized) Choose One + BONUS		
Provides new multimodal connections/options to major employment centers, schools, essential services, and/or serves a low income/minority population	6	<input type="checkbox"/> 0
Provides new multimodal connections/options to other areas	4	<input type="checkbox"/> 0
Does not provide new multimodal connections/options	0	<input type="checkbox"/> 0
<u>BONUS</u> : Implements a Transportation Demand Management strategy	2	<input type="checkbox"/> 0
ALTERNATIVE FUEL/ADVANCED TECHNOLOGIES		
ALTERNATIVE FUEL Choose all that Apply		
Provides publicly accessible electric vehicle charging infrastructure or natural gas, or propane vehicle fueling infrastructure	4	<input type="checkbox"/> 0
Purchase or lease of zero-emission construction equipment or vehicles	4	<input type="checkbox"/> 0
Replaces/retrofits diesel engines to reduce emissions	2	<input type="checkbox"/> 0
ADVANCED TECHNOLOGIES Choose all that Apply		
Establishes a traffic monitoring, management, or control facility or program	2	<input type="checkbox"/> 0
Deploys infrastructure-based intelligent transportation systems	2	<input type="checkbox"/> 0
Replaces streetlighting or traffic control devices with energy-efficient alternatives	2	<input type="checkbox"/> 0

FAST Planning CMAQ/CRP Project Scoring Criteria

OTHER FACTORS			
SAFETY (MOTORIZED & NON-MOTORIZED USERS)		Choose One	
Significant safety improvement	4	<input type="text"/>	0
Moderate safety improvement	2	<input type="text"/>	0
Low/negligible improvement to safety	0	<input type="text"/>	0
PLAN APPROVAL		Choose all that Apply	
Project supports measures included in the State Implementation Plan for AQ	4	<input type="text"/>	0
Project supports measures included in the State's Carbon Reduction Strategy	4	<input type="text"/>	0
Project included in another approved Plan (MTP, TIP, Comprehensive Plan, Downtown Plan, etc)	2	<input type="text"/>	0
Not in an approved Plan	0	<input type="text"/>	0
PROJECT READINESS		Choose One + BONUS	
Project can be completed within 2 years of funding award	3	<input type="text"/>	0
Project can be completed within 3 years of funding award	2	<input type="text"/>	0
Project can be completed within 4 years of funding award	1	<input type="text"/>	0
<u>BONUS</u> : Project has preliminary match and maintenance commitments	4	<input type="text"/>	0
OPERATIONS & MAINTENANCE (O&M)		Choose One	
Decreases O&M costs	2	<input type="text"/>	0
Low to moderate increase in O&M costs	1	<input type="text"/>	0
High increase in O&M costs	0	<input type="text"/>	0
POPULATION SERVED		Choose One + BONUS	
Regional/areawide users	4	<input type="text"/>	0
Multiple neighborhoods/destinations	2	<input type="text"/>	0
Single neighborhood/destination	1	<input type="text"/>	0
<u>BONUS</u> : Serves major employment centers, schools, essential services, and/or a low income/minority population	3	<input type="text"/>	0
<u>BONUS</u> : Supports efforts to reduce the environmental and community impacts of freight movement	3	<input type="text"/>	0
PUBLIC SUPPORT		Choose all that Apply	
Has broad public support and included in an approved Plan	4	<input type="text"/>	0
Has resolution of support from a local government	3	<input type="text"/>	0
Has letters of support or petition	2	<input type="text"/>	0
Has documented public comments supporting project	1	<input type="text"/>	0
Has documented public comments opposing project	0	<input type="text"/>	0
PROJECT TOTAL			0

PROJECT COST	
Estimated project cost	<input type="text"/>
Estimated pollutant reduction (total pounds, combined)	<input type="text"/>
Project cost per pound of pollutant reduction	<input type="text"/>
Is the cost reasonable for the nominated project?	Yes <input type="text"/>
<i>place an "X" in the appropriate box</i>	No <input type="text"/>
