bike friendly business amenities key

	SECURE BIKE PARKING there is a bike rack or some form of secure bike storage (i.e., bikes are allowed indoors) at this location. if you see a bike rack in the area, add it to the <i>Bicycle Parking Project</i> map to help us make informed decisions about future FAST Planning sponsored bike rack placement.		EMPLOYEE INCENTIVES this is a workplace that encourages its employees to bike to work by offering incentives such as changing/showering facilities, storage lockers, &/or bike safety & maintenance course enrollment.		CUSTOMER AND/OR COMMUNITY PROGRAMS this is a business or agency that goes the extra mile to grow the bike community by offering incentives for those who bike to their establishment and/or offer punch cards, swag, prize drawings, discounts, & more!
